Compact Laser All-in-Ones for your Small Office

The MFC-7000 Series monochrome laser All-in-Ones from Brother™ combine print, copy, color scan, and fax in one compact design. They deliver fast print and copy speeds and are ideal for producing the everyday documents that make up the output of today's busy offices. Reliable and hard-working, these All-in-Ones are the perfect addition to your small office or home office.

Exceptional Performance

Enjoy the convenience of producing professional-looking output right from your desktop or small office. With print and copy speeds of up to 27ppm, you can stop wasting time and move on to other important tasks.

The automatic duplex printing feature (not available on MFC-7360N) allows you to print two-sided documents and booklets with ease. Plus, when copying and faxing, you can produce two-sided output from one-sided originals.

Flexible Connectivity

Depending on the model, you can share these all-in-ones with others on your wired or wireless network for printing, scanning and PC faxing or connect locally via their USB interface.

Document Management

These all-in-ones offer document scanning and management solutions to easily share, archive or edit your paper-based documents electronically. Designed to manage both large and small requirements, you can scan single sheets from the flatbed scanner or use the 35-page capacity automatic document feeder for multi-page documents.

Convenient Paper Handling

These all-in-ones come with an adjustable, 250-sheet capacity paper tray to handle letter or legal size documents. In addition, a straight-through paper path via the manual feed slot ensures your letterhead and envelopes always look their best.

Models at a glance

MFC-7360N

Print • Copy • Scan • Fax

- Prints up to 24ppm
- 14.4K bps fax modem
- Ethernet and Hi-Speed USB 2.0 interfaces
- 35-page capacity auto document feeder

MFC-7460DN

Includes all the features of the MFC-7360N, plus:

- Prints up to 27ppm
- Automatic duplex printing

MFC-7860DW

Includes all the features of the MFC-7460DN, plus:

- Wireless network interface
- PCL®6 and BR-Script3[†] emulations
- 33.6K bps fax modem
- Backlit LCD display

Green features that help save paper and conserve energy
